treatment as is requested, including the loan of original X-ray films, whether Department of Veterans Affairs clinical X-rays or service department entrance and separation X-rays, provided there is also submitted a written authorization from the beneficiary or his or her duly authorized representative. The information will be supplied without charge directly to the private physician or medical center head and not through the beneficiary or representative. In forwarding this information, it will be accompanied by the stipulations that it is released with consent of or on behalf of the patient and that the information will be treated as confidential, as is customary in civilian professional medical practice.

(b) Such information may be released without charge and without consent of the patient or his or her duly authorized representative when a request for such information is received from:

(1) The superintendent of a State hospital for psychotic patients, a commissioner or head of a State department of mental hygiene, or head of a State, county, or city health department; or

(2) Any fee basis physician or institution in connection with authorized treatment of the veteran as a Department of Veterans Affairs beneficiary; or

(3) Any physician or medical installation treating the veteran under emergency conditions.

§ 1.514a Disclosure to private psychologists.

When a beneficiary elects to obtain therapy or analysis as a private patient from a private psychologist, such information in the medical record as may be pertinent may be released. Generally, only information developed and documented by Department of Veterans Affairs psychologists will be considered pertinent, although other information from the medical record may be released if it is determined to be pertinent and will serve a useful purpose to the private psychologist in rendering his or her services. Information will be released under this section upon receipt of the written authorization of the beneficiary or his or her duly au-

thorized representative. Information will be forwarded to private psychologists directly, not through the beneficiary or representative, without charge and with the stipulation that it is released with consent of or on behalf of the patient and must be treated as confidential as is customary in regular professional practice.

§ 1.515 To commanding officers of State soldiers' homes.

When a request is received in a Department of Veterans Affairs regional office, center, or medical center from the commanding officer of a State soldiers' home for information other than information relative to the character of the discharge from a Department of Veterans Affairs center or medical center concerning a veteran formerly domiciled or hospitalized therein, the provisions of § 1.500 are applicable, and no disclosure will be made unless the request is accompanied by the authorization outlined in § 1.503. However, station heads, upon receipt of a request from the commanding officer of a State soldiers' home for the character of the discharge of a veteran from a period of hospital treatment or domiciliary care as a beneficiary of the Department of Veterans Affairs, will comply with the request, restricting the information disclosed solely to the character of the veteran's discharge from such treatment or care. Such information will be disclosed only upon receipt of a specific request therefor from the commanding officer of a State soldiers' home.
